

BRAVO AIR SCREEN

ITEM: _____ QUANTITY: _____

MODEL # SCRFC

SPECIFICATIONS

The Bravo Air Screen SCRFC Series is a refrigerated self-service display case with front and optional rear air grills, brushed aluminum interior ends and a choice of standard grade plastic laminate exterior. The self-contained refrigeration system includes digital controls allowing unit to engage in minimal defrost cycles. Front mounted red indicator light alerts the operator if condensing unit requires cleaning. Optional stainless steel exterior available upon request. Unique design allows zero clearance from wall.

Available lengths: 36" 48" 60" 72"

Available depths: 32 3/8"

Available heights: 45 1/8"

STANDARD FEATURES

- DOE 2017 Compliant
- Self-Contained Refrigeration
- Metal Frame Base Construction with Lift-Out Black Louvered Air Grill for Easy Access to Compressor
- Standard Grade Laminate Exterior with T-Mold Edge Protection
- Brushed Aluminum Interior Ends
- Stainless Steel Perforated Interior Back Panel
- T5 Quick Snap-In Top Canopy Light
- Removable Stainless Steel Deck Pan with Hemmed Edge to Contain Spills
- Electronic Digital Control and Defrost Termination
- Red Indicator Light Alerts Operator if Condenser Requires Cleaning
- Digital Temperature Display
- Unique Internal Baffle Design for Compressor Noise Reduction
- Front Air Intake with Rear Air Discharge for Zero Clearance
- Easy Slide-Out Condensing Unit (4', 5' & 6' Units)
- 8' Cord and Plug
- Conforms to NSF STD 7 Type II Refrigeration
- Environmentally Safe Refrigerant
- 1 Year Parts and Labor Warranty
- Floor Drain Required

OPTIONAL FEATURES

- Green Screen
- Remote Refrigeration
- Stainless Steel Exterior Finish with Standard T-Molding
 - #4
 - #6
 - #8
- Special Laminates
- Wood Veneers (Stained & Sealed)
- Miscellaneous Trim
- Promolux Lighting (Low UV)
- Energy Efficient LED Lighting
- Black Styrene Step Sham
- Stainless Steel Step Sham
- Casters (Increases Height by 4")
- Adjustable Legs (Consult Factory for Sizes)
- Powder Coated Interior Back Panel and Hardware
 - Black
 - White
 - Custom Color
- Mirrored Polished Stainless Steel Interior Ends (#8 Finish)
- Mirrored Polished Stainless Steel Perforated Interior Back Panel (#8 Finish)
- Finished Back with Black Air Grill
- Stainless Steel Louvered Air Grill
- Removable Locking Security Panels
- Pull Down #23 Econo Frost Night Curtain
- Thermometer
- 5 Year Compressor Warranty

Conforms to UL Standard 471, and NSF Standard 7; Certified To CSA Standard C22.2 No. 120

RPI refrigerated merchandisers configured for sale for use in the United States meet or surpass the requirements of the DOE 2017 energy efficiency standards

Electrical & Plumbing locations

1. All Self-Contained, Remote and Glycol Units must be run to a floor drain at time of installation.
2. Refrigeration System is designed so air will flow front to rear. Unobstructed air flow must be maintained to ensure unit performance and maintain warranty.
3. The SCRFC (Bravo) merchandiser is designed for use in stores where ambient temperatures and humidity do not exceed 75 Degrees Fahrenheit and 50% R.H. Locate away from direct sunlight, rapid air currents and extreme temperature changes. Exposure to air currents from ceiling fans, air conditioning diffusers, ovens, etc. will disrupt the case air curtain and refrigerated zone. Refrigerated Displays are designed to maintain pre-chilled products. Adding or loading warm products above 41 Degrees Fahrenheit can affect the temperature in the entire cabinet. Any adverse field conditions stated above will void warranty.

RPI in line with its policy to continually improve its products reserves the right to change materials and specifications without notice.
