

# Mouth-watering display

## Cold Deli 3

**The Cold Deli square is available in 3, 4 and 5 GN-pan sizes. Systems can be installed as drop-in versions in a counter or on a matching stand. For maximum flexibility, the unit is self-contained and can be installed anywhere a single-phase socket is available.**

The Cold Deli is based on simplicity. All basic features are united in these cabinets without quality and finishing being compromised. These counters contain the perfect holding climate to keep your products fresh.

The Cold Deli is complete in functionality. The mild airflow enables you to hold and display the most versatile food products with different holding requirements. Combine the Cold Deli with the Hot Deli to display both your hot and cold food products in one matching design.

## Features Cold Deli 3 Square

### Top features

- Square glass
- Long holding time: constant temperature keeps your products fresh
- Plug and play

### Standard characteristics

- Product temperature maintained at 2-5°C
